

Milestones & Advancements

Reaching Milestones

At their discretion, the GM awards characters with a **Milestone** at the end of an adventure—or when they achieve a significant goal in the campaign story. For short campaigns, GMs might reward Milestones every few sessions, while longer ongoing campaigns may achieve Milestones every 5-10 sessions.

When a character receives a Milestone, they choose two **Minor Advancements** and one **Major Advancement**.

Upon achieving a Milestone, choose two different advancements from the following list:

- Increase one Attribute by 1D (up to 3D max)
- Increase four different Skills by +1 (up to +1 max)
- Increase two different Skills by +1 (up to +3 max)
- Increase one Skill by +2 (up to +3 max)
- Improve one Skill by +1 (up to +6 max)

Major Advancements

Upon achieving a Milestone, choose one advancement from the following list:

- Increase two different Attributes by 1D (up to 3D max)
- Increase one Attribute by 1D (up to 6D max)
- Increase four different Skills by +1 (up to +3 max)
- Increase two different Skills by +2 (up to +3 max)
